## GRADING SYSTEM

❖ SGPA and CGPA are based on a 4-point scale.

Grade	Grade Points	Grade Description
A	4.0	Exceptionally good performance, demonstrating a superior understanding of the subject matter, a foundation of extensive knowledge, and a skillful use of concepts and/or materials.
B	3.0	Good performance, demonstrating capacity to use the appropriate concepts, a good understanding of the subject matter, and an ability to handle the problems and materials encountered in the subject.
C	2.0	Minimally acceptable performance, demonstrating deficiencies in the subject matter. Receiving a C grade may potentially lead to placing the student under academic probation.  <i>Prior to Fall 2013 – 2014</i> Adequate performance, demonstrating an adequate understanding of the subject matter, an ability to handle relatively simple problems, and adequate preparation for moving on to more advanced work in the field. Receiving a C grade may potentially lead to placing the student under academic probation.
D	1.0	Unacceptable performance, demonstrating less than the minimum familiarity with the subject matter. Receiving a D grade may potentially lead to placing the student under academic probation.  <i>Prior to Fall 2013 – 2014</i> Minimally acceptable performance demonstrating at least partial familiarity with the subject matter and some capacity to deal with relatively simple problems, but also demonstrating deficiencies serious enough to make it inadvisable to proceed further in the field without additional work. Receiving a D grade may potentially lead to placing the student under academic probation.
F	0.0	Failed.

❖ Grades not counted in the GPA

- EX Exempted
- I Incomplete
- P Pass (for fundamental courses not counted towards the program)
- R Repeated Course
- S Satisfactory progress in thesis
- T Transferred Course
- U Unsatisfactory progress in thesis
- W Withdrawal from course within permitted time frame
- WA Administrative Withdrawal

❖ Repeat Rule

Students may repeat courses whilst double counting the grades. New grade will not replace the old grade and the repeated course credit hours will be counted only once.
